Payments/Conditions

Domestic: Books are shipped via USPS media mail.

The shipping and handling arrangements I use are intended to keep costs low, but may mean that your shipment is slower than you'd like. Though things usually go much faster, please allow up to three

weeks for book deliveries and four weeks for instrumentation. Please do NOT request special handling or rapid shipping services. Such services CANNOT be guaranteed!

Call me old fashioned, but I do *not* accept credit or debit card payments. I welcome checks, money orders, or cash, but only in U.S. funds, please. Make check or money order payable to: George Kuepper. Mail to: George Kuepper, P.O. Box 151, Goshen, AR 72735, U.S.A. If you have further questions, email me at georgekuepper@yahoo.com

International: All items are sent via the lowest cost insured airmail option. I will NOT ship to countries where insurance coverage is not available. Alternative arrangements will be considered if they help ensure safer delivery. All payments MUST be in US Dollars (USD). Be certain to provide me with your address as you wish it to appear on the package.

Since I do not accept credit or debit card payments, there are three acceptable payment options:

1. Western Union Wire Transfers. (Best option.) Email me as soon as the transaction is completed with the retrieval number.
2. International Money Orders. Money orders MUST be drawn on banks that have U.S. branches, such as Bank of America.
3. U.S. Cash. This is a risky option unless you use insured mail, Federal Express, or another secure agent.
