**Domestic:** Books are shipped via USPS media mail. Golden Ratio Antenna are shipped USPS First Class. Instruments are shipped via UPS. INSTRUMENT ORDERS MUST INCLUDE A PHYSICAL ADDRESS FOR DELIVERY! UPS does not deliver to P.O. Box addresses.

The shipping and handling arrangements I use are intended to keep costs low, but may mean that your shipment is slower than you'd like. Though things usually go much faster, please allow up to three weeks for book deliveries and four weeks for instrumentation. Please do NOT request special handling or rapid shipping services. Such services CANNOT be guaranteed!

I do not accept credit card orders at this time; checks, money orders, or cash, in U.S. funds only, please. Make check or money order payable to: George Kuepper. Mail to: George Kuepper, P.O. Box 151, Goshen, AR 72735, U.S.A. If you have further questions, email me at [georgekuepper@yahoo.com](mailto:georgekuepper@yahoo.com)

**International:** Books, Golden Ratio Antennas, and Instrumentation are sent via the lowest cost insured airmail option. I will NOT ship to countries where insurance coverage is not available. Alternative arrangements will be considered if they help ensure safer delivery.

I do not accept credit card orders at this time. There are three payment options I do accept:

1. Western Union Wire Transfers. (Best option.) Email me first to determine the best place to wire funds. I travel a lot and this will ensure faster service.
2. International Money Orders. Money orders MUST be drawn on banks that have U.S. branches, such as Bank of America. If not, an additional surcharge of \$30 should be added to your order total.
3. U.S. Cash. This is a risky option unless you use insured mail, Federal Express, or another secure agent.
